Weekly on Thursdays

@ 12:30 PM Eastern

PROACTIVE
LTC CONSULTING

March 9 - A Day in the Life of a DON

This session will provide an overview of daily responsibilities and expectations as we examine a day in the life of an effective DON.

March 16 - Risk & Human Resource Management

This session will focus on Risk Management and Human Resources including: The requirements and key components; responsibilities and role of the DON in oversight and addressing risk areas and HR Management; staff training objectives; hiring/firing and disciplinary action guidance; and staffing sources and employee retention.

March 23 - Survey Readiness

This session will focus on Survey Readiness: Key components for being survey ready every day; tools and resources for survey readiness; staff training priorities; and health inspection implementation strategies with case examples.

March 30 - QAPI for the DON

This session will discuss the key components of Quality Assurance and Performance Improvement (QAPI) and the DON's role and responsibilities for QAPI related to driving quality care and regulatory compliance.

April 6 - MDS and Medicare Essentials

This session will discuss essentials of the MDS and Medicare for the DON to develop key skills for overseeing the RAI process. Action items for the DON related to ensuring OM accuracy, clinical documentation quality, and reimbursement compliance will be reviewed.

April 13 - Leadership & Management and Essential Resources

This session will discuss the leadership and management skills and essential resources for the DON.
